

Key

True/false:

1. False. Five were killed
2. False. A protest, not a meeting
3. True
4. True
5. False. Not throughout the revolution (that would mean all)

Write the word which means each definition on each line. Once you have written all the definitions, the letters in the boxes will spell out a common New England saying.

1. General plan of a government
2. A shellfish with large claws
3. A member of the highest social class
4. To spend time with other people in a friendly way
5. The losing of a game, fight, war
6. Fighting in a crowd of people
7. Killing a group of people in a cruel way
8. Someone who digs in the ground for metals or minerals like gold or coal
9. A place where people live
10. Not lived in
11. Cruel, severe
12. A small group with a lot of money/power
13. To become ruined, usually slowly over time
14. An area that is governed by another country
15. A statement that someone has done something wrong
16. A town with a harbor used by large ships
17. Correctly
18. A huge piece of moving ice
19. Hunting and killing whales for their oil
20. Using expressions that clearly mean the opposite of what is felt
21. Your nature, what kind of person you are
